Section One

Introduction

This document has been prepared by the Planning Policy and Infrastructure Business Unit in accordance with Government guidance set out in the National Planning Policy Framework (NPPF). Paragraph 31 of the NPPF states that ‘the preparation and review of all policies should be underpinned by relevant and up-to-date evidence.’

Table 2 of Appendix C (p.138) of the Newark and Sherwood Local Development Framework Amended Core Strategy Development Plan Document (DPD) sets out the District’s employment land requirements for the plan period 2013 - 2033. The purpose of this report is to demonstrate the Council’s position at 31/03/2022 and to provide monitoring data of employment land delivery in all areas of the District.

Employment land availability has been monitored for the period 1st April 2021 - 31st March 2022 to identify a supply of deliverable sites, and the data gathered has been used to produce this report. Comparison data in this report has been recorded from 1st April 2013 to provide information from the start of the plan period. Use Classes were updated on 1st September 2020, and the new Classes E (g) and E (c) may be relevant to this report.

Disclaimer

The information in this report is provided in good faith and is as accurate as records permit, although no guarantee is given that it is entirely free of errors.

The identification of a site in this document does not necessarily imply that planning permission will be granted for a specific employment proposal, as this would be dependant upon consideration of any planning application and its particular characteristics at the time.
