

## Guide to the Representations Received by Newark and Sherwood District Council on the Publication Draft AADMDPD - Coding

The representations received by Newark and Sherwood District Council on the Publication Draft AADMDPD have been inputted into an Access Database. Each representation has been given a unique reference number comprised of 4 elements:

1. **Respondent ID:** A unique number which has been attributed to each respondent.
2. **Section or Policy:** Reference to the section or policy of the Publication Draft AADMDPD that the comments relate to.
3. **Type of Representation Made:** This is given as a reference code. The type of representations made have been categorised as follows:

Type of	Code
Legally Compliant	LC
Duty-to-cooperate	DTC
Not Positively Prepared	T1
Not Justified	T2
Not Effective	T3
Not Consistent	T4
Support	S

4. **Representation Reference:** The unique representation number that the representation relates to, this is different to the respondent ID.

### Referencing Example:

#### 001 Omission Site T1 T2 0002

This is a representation made by CB Colliers NK SSC Ltd (001). Their representation relates to a site that was omitted from the Publication Draft AADMDPD which they are challenging on the grounds of soundness (not positively prepared and not justified). 0002 is the unique representation number only given to this representation.

#### 013 DM5b T3 0182

This is a representation made by Natural England (013). Their representation relates to Policy DM5b which they are challenging on the grounds of soundness (not effective). 0182 is the unique representation number only given to this representation.

017 GRT General S 0029

This is a representation made by Mansfield District Council (017). Their representation relates to the gypsy, roma traveller strategy which they are supporting. 0029 is the unique representation number only given to this representation.

**Other**

Due to undertaking two Regulation 19 consultations, some representations were carried forward from the First Publication stage to submit to the Inspector. These are references in part 2 of the coding as 'Retained'.
